

# Do you want experience working in youth development?

Are you ready to give back to your community?

Do you need money for education?

Project Opportunity

## Benefits:

- Serve your community for a year
- Earn an education award toward tuition or student loans
- Receive a paid stipend
- Ongoing training and professional development opportunities
- Varied and flexible part-time positions available

## If so, join the AmeriCorps Team!

As an AmeriCorps member, you will serve with the Girl Scouts of Northern Illinois (GSNI) and give back to the community. AmeriCorps members with the Project Opportunity program will help at-risk and in-need girls develop self-confidence, form positive identities, and learn practical life skills. GSNI is about cultivating confident girls through a variety of experiences to make a difference in the world – and you can be a part of that!
